

SOUTHLAND REGIONAL COUNCIL
(known as Environment Southland)
Invercargill-Rakiura Constituency
Electing 6 Regional Councillors

Peter MCDONALD

My principal place of residence is not in the Invercargill-Rakiura Constituency area.

Southland has some far reaching decisions to make in the near future about the management of our two most valuable resources, land and water.

My belief is that these most precious resources must be protected so (as future Southlanders) we can continue to enjoy the same benefits and opportunities we currently do. If elected, I will approach this role with drive, energy and integrity.

I have had many years in community organisations including the chairing role of a NZ wide sheep farming advocacy group; An active role as Chair since 2002 of the Dipton Land Care Group, with many conservation projects completed and still running; Plus more than 20 years in the volunteer fire service.

If your support allows I would advocate on your behalf for:
Accountability to rate payers; Decisions based on evidence not emotion; Community consultation.

Thank you for your consideration.
