

SOUTHLAND REGIONAL COUNCIL
(known as Environment Southland)
Invercargill-Rakiura Constituency
Electing 6 Regional Councillors

Rowly CURRIE

My principal place of residence is in the Invercargill-Rakiura Constituency area.

Previous Rector of Southland Boys' High School.

Married to Barbara. Our son, Michael, is an

Electrician in Winton. Our daughter, Megan, is a

Hairdressing Tutor at S.I.T. Apart from two years

in Canda, my teaching experience has been in Southland (Southland Boys' High School, Kingswell and Menzies College).

In recent years, I have been a relief teacher at SBHS and Executive Officer at Southland Cricket. Community service

includes nine years in the Wyndham Lions Club and membership of the Rotary Club of Invercargill North since 1989. I have really

enjoyed my two terms as a Councillor at Environment

Southland. Financially, we have no long term debt. Our 'Big 3'

priorities, water, air and biodiversity are being tackled. Active

engagement in shared services with other organisations is

maximising resources. South Port dividends are reducing rates

increases. More challenges will arise. I appreciate your support

in attacking them.
