

SOUTHLAND REGIONAL COUNCIL
(known as Environment Southland)
Invercargill-Rakiura Constituency
Electing 6 Regional Councillors

Steve MITCHELL

My principal place of residence is in the Invercargill-Rakiura Constituency area.

Steve Mitchell lives in Invercargill, following five years in Bluff. He has been chairman of the Bluff 2024 Rejuvenation Trust since 2012, and Bluff Promotions since 2013. Steve is also Chairman of

Vestry at All Saints Parish, and finds time for organic gardening and music.

A carpenter by trade, Steve served five years with the NZ Police and then worked mainly in aviation, with Airservices Australia in Air Traffic Services, and as a commercial pilot. Having wide experience in business, Steve is now Regional Sales Manager with a USA Aerospace Company. From Hamilton, Steve was attracted by the southern lifestyle, and is passionate about building sustainable communities incorporating all that Southlanders really value.

Steve will bring a fresh view and broad experience to Environment Southland. He is Positive, Practical and People-Focused, and will work to keep rates down, and ensure that council delivers positive, practical and people-focused solutions.
