

Southland Regional Council  
(known as Environment Southland)  
Invercargill-Rakiura Constituency  
Electing 6 Regional Councillors

---

**Chris MCINTOSH**

My principal place of residence is not in the Invercargill-Rakiura Constituency area.

Communities of Southland are entitled to the protection and improvement of our environment for us and future generations,

Through sound stewardship working collaboratively with other groups and compliance processes along with meeting central government requirements this can be achieved.

The long-term plan provides us a pathway and must consider people, communities, business and industry as well as the environment to succeed.

Effective leadership is crucial.

I have developed effective leadership skills particularly in the education sector Chairing and contributing to many groups at a national level being acknowledged with life membership and awards for services to communities and a Kellogg's scholarship  
If elected: I will put in the commitment, make myself available to anyone who wants to raise issues, treat everyone with respect; and listen; I will not abuse this position to progress my own personal agenda, nor will I personalise any debates.  
Together we can provide innovative solutions.
