

Southland Regional Council
(known as Environment Southland)
Western Constituency
Electing 1 Regional Councillor

Nicol George HORRELL

My principal place of residence is in the Western Constituency area.

My wife, Anne, and I farm sheep in the Alton Valley. We have three adult children and five grandchildren.

I have enjoyed the challenge in the role as Chairman of Environment Southland over the past three years. Having considered the challenges Southland will face over the next few years, I believe the knowledge and experience I have gained during my time on Council will continue to be valuable during the next term. While we will welcome some new faces to the table following the Elections, it is also good to have some continuity going forward. With that in mind I respectfully ask for your continuing support as your representative for the Western Constituency of Environment Southland. I will continue to support a thriving and sustainable future for Southland. Now that we have grandchildren, I am even more conscious of the legacy we will leave to the generations to come.
