

Southland Regional Council  
(known as Environment Southland)  
Fiordland Constituency  
Electing 1 Regional Councillor

---

**Allan BAIRD**

My principal place of residence is not in the Fiordland Constituency area.

I am the Managing Director of our farming business based in Dipton.

I seek your support to continue as the Environment Southland (Fiordland constituency) representative. I am a 5th generation Southlander with a strong desire for a healthy and prosperous region. I have a commercial & agribusiness background and I have the determination to help the region work through the environmental challenges ahead. I am a past President of Southland Federated Farmers, and a member of the Institute of Directors. I believe in integrity and accountability. As a first term councillor, I have helped drive a more collaborative approach to water quality and land-use issues. I have been active on the transport, finance, regulatory, strategy & policy, and (the newly formed) climate change committees. I believe Local Government is an important part of our democracy and I am committed to furthering my engagement for the Fiordland community.
