**proposed Fiordland Marine Regional Pathway Management Plan**

pursuant to the  
Biosecurity Act 1993

**MINUTE AND DIRECTIONS OF HEARING PANEL**  
**on preparation for hearing of submissions**

**Minute 2**

**INTRODUCTION**

1. On 17 August 2016, pursuant to authority delegated by the Southland Regional Council (**Council**), we issued Minute 1 on the proposed Fiordland Marine Regional Pathway Management Plan (**Fiordland Marine Regional Pathway MP**). Minute 1 included a direction to staff, requiring the preparation of a report containing a *summary of submissions received on the Fiordland Marine Regional Pathway MP, highlighting key issues raised in submissions*. This report was made available on the Council website on 26 August 2016.
2. Following receipt of the summary of submissions, the Hearing Panel would be further assisted by staff providing recommendations in response to each submission, and makes the directions below accordingly.

**DIRECTIONS**

Staff are directed to prepare a report containing recommendations in response to submissions.

The Staff Recommendations Report will be made available on the Council website on and from 8 September 2016.

Staff involved in preparing the Staff Recommendations Report are directed to appear at the hearing on 15 September 2016.
