**Subject:** ENV-2018-CHC-26-50 - Proposed Southland Water and Land Plan

Good Morning,

I have referred the waiver application and the two section 274 party notices filed by Nga Rūnanga's counsel on 3 April 2019 to Judge Borthwick, who directs:

*Nga Rūnanga has applied for a waiver, seeking leave to become a party to two appeals: Southland Fish and Game (ENV-2018-CHC-37) and Forest and Bird (ENV-2018-CHC-50). Parties are to advise the court if they oppose Nga Rūnanga's application by **Monday 8 April 2019**. If no notice of opposition is received, leave will be granted without any further decision issuing.*

J E Borthwick

Environment Judge

4 April 2019

Kind regards,

**Emma Sprott**
