Good Afternoon,

By memoranda dated 13 March and 4 April 2019 counsel for Z Energy, BP Oil Ltd and Mobil Oil NZ Ltd gave notice of the withdrawal of the oil companies' interest in parts of certain appeals set down for the Topic A hearings. The withdrawal will be noted on the court record. The parties will advise whether there is any issue as to costs by **Wednesday 10 April 2019**. If there are, further directions will follow.

Kind regards,
