**MINUTE OF THE ENVIRONMENT COURT
(24 March 2020)**

[1] This Minute is released for the purpose of case management.

[2] In light of the Government's announcement that New Zealand will soon be placed at COVID-19 Alert Level 4, and uncertainty over how long such measures will last, I propose that the matter stand adjourned until August 2020, with parties having the right to apply to bring it on early if necessary.

[3] The timetable directions set out in the Record of Pre-Hearing Conference held on 10 February 2020 are confirmed. That said, leave is reserved to apply for further (or other) directions if necessary.

Environment Judge
