Kia ora

Further to previous correspondence filed by Horticulture New Zealand, Judge Borthwick directs:

I have considered the notice of withdrawal dated 23 October 2020 and note that no party responded to the Registry's request that any party with any issue as to costs to file accordingly by 29 October 2020.

Horticulture New Zealand's appeal and s 274 interests in relation to Topic B of the proposed Southland Water and Land Plan are therefore considered to be at an end.

There being no issue as to costs there is no order regarding the same.
