**Subject:** Proposed Southland Water and Land Plan

Good morning

In response to the memoranda from the Director-General of Conservation and the Regional Council regarding enlargement of the evidence timetable, both dated 7 May 2020, Judge Borthwick directs:

*The evidence of Ms Kirk for the Director-General of Conservation in response to the evidence in chief filed by Southland Regional Council and Ngā Rūnanga is to be filed and served **by Wednesday 13 May 2020**;*

*All other steps in the timetable set out in paragraph [3] of the court's Minute dated 6 April 2020 are confirmed.*

*J E Borthwick  
Environment Judge  
11 May 2020*

In response to the memorandum filed by Ballance Agri-Nutrients Ltd and others on 8 May 2020, no directions are sought and I am advised by Judge Borthwick that the court is considering whether a response is required at this juncture.

Kind regards
