Good morning,

I have referred the Regional Council and Ngā Rūnanga memoranda dated 6 September 2019 to Judge Borthwick who directs that any party who does not agree with the directions proposed and the matters set out for confirmation are to file a memorandum by **Thursday 12 September 2019**.

Please note, Judge Borthwick will be on leave between Monday 16 September to Monday 14 October 2019 and would like to be in a position to make directions by the end of the week.

Kind regards,
