Good afternoon

Judge Borthwick has clarified today's directions, and further [directs](#):

Further to the direction requiring counsel for Southland District Council to report to the court tomorrow, I should have noted the direction concerns the application(s) for consent orders that was to have been filed by 19 November 2021. The application precedes the provisions set down for hearing in March 2022. The application has not been filed as directed and no application has been made to extend those directions. When responding, counsel for the Council are to seek new directions on the filing of the application for consent orders.
