**NOTICE OF REQUEST TO BE A PARTY TO PROCEEDINGS UNDER S274 OF THE RESOURCE
MANAGEMENT ACT BY CAMPBELL'S BLOCK LIMITED**

1. Campbell's Block Limited ("**Campbell's Block**") wishes to be a party to Notice of Appeal ENV-2018-CHC-000029 dated 16 May 2018 by Aratiatia Livestock Limited to the Environment Court ("**the Appeal**") against the Decision of the Southland Regional Council on the Proposed Southland Water and Land Plan.

2. Campbell's Block is entitled to be a party to the Appeal because:-
 - (a) It lodged a submission and Notice of Appeal ENV-2018-CHC-000044 dated 17 May 2018 ("**Campbell's Block Appeal**") which seeks relief on matters addressed in the Appeal.

 - (b) It owns and farms land on Otamita, Eastern Southland, the management of which will be directly affected by the relief sought in the Appeal.

3. Campbell's Block is not a trade competitor for the purposes of s308C or s308CA of the Resource Management Act 1991.

4. Campbell's Block is interested in the part(s) of the Appeal that relates to **Rule 20 Farming**, in particular:
 - a. The requirement for supplementary feed in portable feeders, Rule 20(a)(iii)(3)(D); and
 - b. The restriction on mob (herd) size, Rule 20(a)(iii)(3)(E).

5. Campbell's Block supports the relief sought in the Appeal regarding Rules 20(a)(iii)(3)(D)&(E), to the extent that it is consistent with the relief in the Campbell's Block Appeal, for the following reasons:-
 - (a) Portable feeders concentrate stock in one area, which is counterproductive and can raise animal welfare issues;

 - (b) The grounds set out in the Appeal;

 - (c) The grounds set out in the Campbell's Block Appeal.

6. Campbell's Block agrees to participate in mediation or other alternative dispute resolution of the proceedings.

Signed for and on behalf of Campbell's Block Limited:-
