1. I, Peter Donald Chartres of Te Anau Downs Station, wish to be a party to the following proceedings:
 - ENV-2018-CHC-000036
 - Between the Director-General of Conservation (Appellant) and the Southland Regional Council (Respondent)
 - Being an appeal against decisions of the Southland Regional Council on the proposed Southland Water and Land Plan
2. I am a person who has an interest in the proceedings that is greater than the interest that the general public has as I am a large rural landowner operating a large farming and forestry operation at Te Anau Downs Station and will therefore be directly affected by the proposed Southland Water and Land Plan rules.
3. I made a submission about the subject matter of the proceedings.
4. I am not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
5. I am interested in part of the proceedings. The part of the proceeding that I am interested in is:
 - Provisions governing intensive winter grazing in Policy 16
6. I **oppose** the relief sought because:
 - The proposed amendment to the policy will unreasonably restrict farming on large, extensively farmed properties which are not the source of water quality problems.
7. I agree to participate in mediation or other alternative dispute resolution of the proceedings.

Peter Donald Chartres
