

Original River Liaison Committee Terms of Reference-1979

6. LIAISON COMMITTEES

- 6.1 That the Board encourage the formation and maintenance of "liaison committees" consisting of persons evenly distributed throughout the various major river catchments and appointed in co-operation with Federated Farmers.
- 6.2 That the purpose of liaison committees be to assist the Board to maintain better communications between the Board and ratepayers generally.
- 6.3 That the Board meet formally with each liaison committee on at least an annual basis to receive expressions of opinion and give such explanations as may be requested.
- 6.4 That complaints or other matters pertaining to individual ratepayers not be considered by liaison committees but redirected to the Board.
- 6.5 That liaison committees not make decisions on the Board's behalf, as such decisions must rest with the Board in terms of its statutory authority.
