Guidelines for Affected Parties

Why has your written approval been requested?

If you have been asked to sign this form, it will be because someone is proposing an activity that requires a resource consent and you have been identified as an affected party. You may have been deemed an affected party simply because you are a neighbour.

What should you do?

1. Study the application for resource consent for the proposed activities. This should help you understand any potential effects.
2. If you are happy with the proposal and wish to give your approval, you may do so by signing the written approval form.

Any questions regarding the proposed activity(ies) should be addressed to the applicant in the first instance. Discussing the proposal may assist with resolving any issues of concern. If you continue to be concerned with the proposal, you do not have to sign the form, however it is important that you let Environment Southland and the applicant know you will not be giving your approval and why.

If the application is notified, your written approval does not constitute a submission as required under Section 96 of the Resource Management Act 1991.

Note:

- By signing the written approval form you still retain the right to contact Environment Southland or lodge a complaint if you become concerned that the applicant is not complying with the requirements of their resource consent.
- This approval may be withdrawn in writing up to the time that the application is considered and determined.

For further assistance contact Environment Southland's Consents Team on **03 211 5115 or 0800 76 88 45**
