**MINUTE OF HEARING COMMISSIONERS**

**DIRECTIONS REGARDING NEW TIMETABLING ARRANGEMENTS**

---

- 1 On 7 October we issued a minute with timetabling directions for exchange of legal submissions and evidence for the Woldwide 1 and 2 hearing, with the intention of reconvening the hearing on 24 – 25 October. A hearing date of 24- 25 October for reconvening the Woldwide 4 and 5 hearings had also been set down at the hearing on 4 October.
- 2 We acknowledged in that minute that the proposed timetable was tight and agreed to consider any requests for changes. Subsequent correspondence was received from both Dr Durand, on behalf of the s42A officers, and Mr van der Wal, legal counsel for the applicant. We subsequently undertook a teleconference to agree on new timetabling.
- 3 The new timetable for each hearing is outlined below. We note that further discussions on timetabling may be required in relation to the Woldwide 4 and 5 hearing, if an interim decision from us on the appropriate baseline is necessary. This will not be known until evidence and submissions are exchanged.
