Wish to SUPPORT / OPPOSE / submit a NEUTRAL submission on (circle one) the application of:

Name: Ewen Pirie

And/or Organisation: on behalf of the Lake Waituna Control Association

Application Number: APP-20211669 Location: \_\_\_\_\_

My reasons for my submission are: (State the nature of your submission and give clear reasons. Continue on attached pages if necessary)

I am submitting in support of this application. Ewen Pirie and the Lake Waituna Control Association have over 20+ years experience regarding the lagoon, the Waituna catchment itself. They understand the significance & sensitivity of Lagoon & Surrounding areas. We being in the lower Waituna catchment have been extensively involved in regard to the lagoon health & well-being, and have been very proactive-supporting other organisations i.e. environment Southland, in achieving positive outcomes for the people of our community & wider. I believe the best outcome would be to grant the consent in it entirety as Ewen & the association have strived for positive mediation solutions -

involving other concerned parties, but were unable to do so successfully. A huge amount of money & resources has gone into battering of the Waituna Creek etc. This could have an adverse affect, if water is allowed to back-up & more extensive work is required in regard to maintenance & repairs. Accessways around the lagoons, which not only affects land owners, but fishermen, visitors & the likes. As a rate payer, I am well aware that extensive & on-going repairs are expensive & this may result in rate increases. I feel most strongly that local people, with local knowledge are the people who have everyone's interests foremost

I wish the Council to make the following decision (Give precise details, including the nature of any conditions sought)

Environment Southland should grant the consent in its entirety as per the application by Ewen Arie on behalf of the Lake Waituna Control Association.

I, am/am not (choose one) a trade competitor\* of the applicant (for the purposes of Section 308B of the Resource Management Act 1991).

\*If trade competitor chosen, please complete the next statement, otherwise leave blank

I, am/am not (choose one) directly affected by an effect as a result of the proposed activity in the application that:

- (a) adversely affects the environment; and
- (b) does not relate to trade competition or the effects of trade competition.

I, do/~~do not~~ (choose one) wish to be heard in support of my submission.

I, do/~~do not~~ (choose one) wish to be involved in any pre-hearing meeting that may be held for this application.
