Wish to **SUPPORT** / OPPOSE / submit a NEUTRAL submission on (circle one) the application of:

Name: Waikaka Gold Mines Ltd

And/or Organisation:

Application Number: APP 20242608 Location: near 972 Waikaka Road, Chatton North, Southland

My reasons for my submission are: (State the nature of your submission and give clear reasons. Continue on attached pages if necessary)

We believe that the Waikaka gold project will provide employment and contribute significantly to the local economy. The will project create the opportunity to improve the local landscape with the creation of wetlands and other habitat at completion of the project.
Any effects on the landscape will be less than minor in the long run.
We need to stop focusing on short term effects or results and view our environment on a geological scale (or at least say a 50 year period).
We are surrounded by examples of formal industrial sites now being touted as examples of pristine landscapes. I refer to the exhausted gravel pits at Tokonui, at Awarua and at Oreti Beach. A more extreme example would be the DOC Visitor Centre area at West Arm, Lake Manapouri. This area was once an industrial construction site on a grand scale.
All the carparks and scenic laybys on the Milford Road were dumps sites for the road construction and maintenance

I wish the Council to make the following decision *(Give precise details, including the nature of any conditions sought)*
