

Southland Regional Council
(known as Environment Southland)
Southern Constituency
Electing 1 Regional Councillor

Lloyd James MCCALLUM

My principal place of residence is not in the Southern Constituency area.

Born and educated in Southland then attended Lincoln College.

My wife Kathy and I have 4 adult children and 9 grandchildren. We farm with our two sons

operating dairy, sheep, beef, and dairy grazing.

Member of the local Hall Committee, church elder, JP and past Shareholder Councillor for both Livestock Improvement and Fonterra, also other community groups.

The time involved in different organisations has given me an appreciation of working in a team environment to achieve positive outcomes.

I am not afraid to ask the hard questions and believe I have contributed positively as your elected representative over the last 9 years.

I have taken several leadership roles in this last term including deputy chair, Co-chair Regional Transport committee, Trustee Whakamana te Waituna Charitable Trust and heavily involved in council committee work.

I will continue to advocate for Southlanders both locally and nationally.

I seek your support for re-election
