Subject: RE: ENV-2018-CHC-26-50 - Proposed Southland Water and Land Plan

Good Morning,

Further to the directions below, I have referred the memorandum for DOC re Linda Kirk's evidence dated 27 March 2019 and updated brief of evidence of Linda Kirk to Judge Borthwick. I apologise for the delay, it was unfortunately overlooked. She directs as follows:

*DOC seeks leave to file an updated brief of evidence of Linda Kirk due to one of her appendices being incomplete. Parties are to advise the court if they oppose DOC's request by **Monday 8 April 2019**. If no opposition is received, leave will be granted for Ms Kirk's 22 March brief to be replaced with her 27 March brief without any further decision issuing.*

J E Borthwick

Environment Judge

4 April 2019

Kind regards,

Emma Sprott
