**MINUTE OF THE ENVIRONMENT COURT  
(19 November 2019)**

---

[1] This Minute is released for the purpose of case management and responds to the memorandum of counsel filed on behalf of Ngā Rūnanga dated 15 November 2019.

[2] In response to the agenda<sup>1</sup> filed for the upcoming conference, counsel for Ngā Rūnanga have asked the court to clarify whether we have any expectations and/or parameters around linkages to cultural indicators and ki uta ki tai/te mana o te wai.

[3] We would have thought this will be the subject matter of the Topic B hearing, but in any event doubt there is sufficient time allowed for the experts to make any meaningful headway at the forthcoming expert conference.

[4] Given this, I make no direction the conference is to address the cultural indicators of health. The date for filing the final report on cultural indicators of health is confirmed for **Friday 29 November 2019**.
