Good afternoon

I have referred the memorandum dated 22 July 2022 to Judge Borthwick who directs:

*Federated Farmers will abide the decision of the court and on that basis is granted leave to be excused from the hearing on Tranche 3. Costs are reserved. Any party seeking costs is to file an application by **Friday 29 July 2022**. If no application for costs is made, the decision of the court will be (without further decision of the court issuing) that there is no order as to costs.*
