Good morning

I have referred counsel's memoranda for Fish and Game and Hamish English both dated 1 November 2022 to Judge Borthwick who directs:

My apologies to Ms Gepp and Ms Rusher.

I thought I had communicated to all parties that the court would sit on 21 & 22 November 2022 if more time was required. Having checked the court record, it is clear that I did not.

So that these parties are not prejudiced, if the evidence has not been completed by Friday 18 November 2022, I will consider requests to adjourn the hearing and resume at a later date. I am grateful for Ms Rusher's proposal to work with the court's timetable noting that if there is a chance that she will not be available, consideration should be given now to briefing another lawyer.

If more time is required, the hearing can resume on the following dates:

- 13-15 December 2022; or
- in the week commencing 19 December 2022

*All parties are to advise the Registrar by **Friday 4 November 2022** of their availability on these dates, should they be required.*

Otherwise, Ms Gepp's and Ms Rusher's request they be excused from attending the hearing is granted.

*J E Borthwick
Environment Judge
3 November 2022*

Kind regards
Maddy
