Hello Maddy.

Counsel for Meridian and Meridian's planning witness Ms Whyte are available in the suggested December dates, if required.

Given the order of parties I have assumed Meridian's other witnesses will be heard in the week of 14 November and I have not enquired as to their availability in December.

It is unclear to me from the Judge's direction below whether the reserve days on 21 and 22 November are now vacated. Are you able to clarify?

Regards.

Subject: pSWLP Tranche 3

Good morning

I have referred counsel's memoranda for Fish and Game and Hamish English both dated 1 November 2022 to Judge Borthwick who directs:

My apologies to Ms Gepp and Ms Rusher.

I thought I had communicated to all parties that the court would sit on 21 & 22 November 2022 if more time was required. Having checked the court record, it is clear that I did not.

So that these parties are not prejudiced, if the evidence has not been completed by Friday 18 November 2022, I will consider requests to adjourn the hearing and resume at a later date. I am grateful for Ms Rusher's proposal to work with the court's timetable noting that if there is a chance that she will not be available, consideration should be given now to briefing another lawyer.

If more time is required, the hearing can resume on the following dates:

- *13-15 December 2022; or*
- *in the week commencing 19 December 2022*

*All parties are to advise the Registrar by **Friday 4 November 2022** of their availability on these dates, should they be required.*

Otherwise, Ms Gepp's and Ms Rusher's request they be excused from attending the hearing is granted.

*J E Borthwick
Environment Judge
3 November 2022*

Kind regards
Maddy
