Subject: pSWLP Proposed Southland Water and Land Plan

Good afternoon

I have referred the memorandum filed by Ms Rusher dated 22 February 2022 to Judge Borthwick who responds:

1. *I do not consider the directions sought are required and decline to make the same.*
2. *If following the conferencing of expert witnesses, the parties represented by Ms Rusher agree with the other parties on proposed amendments to the pSWLP, then –*
 - a. *Mathew McCallum-Clark was to file evidence in support of the agreed provisions; and*
 - b. *with reference to paragraphs [10]-[11] and [42] of the Record of Judicial Conference held 10 February 2022,*
 - *parties were to (a) identify any witnesses to give technical evidence in support of the agreed amended provisions by **Friday 18 February 2022**; and (b) file that technical evidence by **Friday 25 February 2022**.*
3. *Having consulted with the parties, SRC filed a memorandum on 18 February 2022 identifying witnesses to give technical evidence in support of the amended provisions.*
4. *If the parties agree with Ms Rusher that additional technical evidence is required in relation to amendments supported by Mr McCallum-Clark (in addition to the evidence agreed to be called by Rayonier), this is to be filed Friday.*

J E Borthwick
Environment Judge
