Mōrena All,

It has come to our attention that a number of formatting errors have occurred in the Statement of Evidence of Lauren Maciaszek filed on Friday. These have been corrected in the **attached** Statement of Evidence. Please disregard the version filed on Friday and refer to this corrected version.

For completeness, the errors and the action taken to correct these are as follows:

Incorrect/broken cross-referencing links

- Paragraph 45 (now 47) – reference was to “0 and 28(a)”. This has been corrected to “27 and 28”.
- Paragraph 55 (now 57) – reference was to “0” and has been corrected to “27”.
- Paragraph 72 (now 74) – reference was to “0” and has been corrected to “27”.
- Paragraph 85 (now 87) – reference was to “0” and has been corrected to “27”.

Table of contents indenting missing

The indenting in some parts of the table of contents did not carry through to the PDF copy of Ms Maciaszek’s evidence. This has been corrected.

Numbering of paragraphs under heading “JWS – Planning”

The paragraphs under this heading did not have numbering. We have added paragraph numbers to these paragraphs for ease of reference, and updated all other cross referencing accordingly.

My apologies for any inconvenience caused by these errors/corrections.

Kind regards,
Alyssa
