**NOTICE OF REQUEST TO BE A PARTY TO PROCEEDINGS UNDER S274 OF THE RESOURCE
MANAGEMENT ACT BY ROBERT GRANT**

1. Robert Grant wishes to be a party to Notice of Appeal ENV-2018-CHC-000032 dated 17 May 2018 by DairyNZ Ltd to the Environment Court ("**the Appeal**") against the Decision of the Southland Regional Council on the Proposed Southland Water and Land Plan.
2. Robert Grant is entitled to be a party to the Appeal because:-
 - (a) He lodged Notice of Appeal ENV-2018-CHC-000045 dated 17 May 2018 ("**Robert Grant Appeal**") which seeks relief on matters addressed in the Appeal.
 - (b) He owns and farms land on Otamita, Eastern Southland, the management of which will be directly affected by the relief sought in the Appeal.
3. Robert Grant is not a trade competitor for the purposes of s308C or s308CA of the Resource Management Act 1991.
4. Robert Grant is interested in that part(s) of the Appeal that relates to the restriction on mob (herd) size, **Rule 20(a)(iii)(3)(E)**.
5. Robert Grant supports the relief sought in the Appeal seeking deletion of the restriction on mob (herd) size, **Rule 20(a)(iii)(3)(E)**, to the extent that it is consistent with the relief in the Robert Grant Appeal, for the following reasons:-
 - (a) The grounds set out in the Appeal.
 - (b) The grounds set out in the Robert Grant Appeal.
6. Robert Grant opposes the relief sought as an alternative to the above i.e. if the relief above is not granted and the reference to cattle is retained, the words "or equivalent number of young stock at any one time" be added. The reason for the opposition is:
 - a. The alternative is too restrictive and unnecessary.

7. Robert Grant agrees to participate in mediation or other alternative dispute resolution of the proceedings.

Signed for and on behalf of Robert Grant:-
