1. I, Peter Donald Chartres of Te Anau Downs Station, wish to be a party to the following proceedings:
  - ENV-2018-CHC-000037
  - Between Southland Fish and Game Council (Appellant) and the Southland Regional Council (Respondent)
  - Being an appeal against decisions of the Southland Regional Council on the proposed Southland Water and Land Plan
2. I am a person who has an interest in the proceedings that is greater than the interest that the general public has as I am a large rural landowner operating a large farming and forestry operation at Te Anau Downs Station and will therefore be directly affected by the proposed Southland Water and Land Plan rules.
3. I made a submission about the subject matter of the proceedings.
4. I am not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
5. I am interested in part of the proceedings. The part of the proceeding that I am interested in is:
  - Provisions governing farming and intensive winter grazing in Policy 10.3, Policy 11.3, Policy 12.3, Policy 16, Rule 20, Definitions for "Intensive Winter Grazing" and "Sloping Ground" and Appendix N
  - Provisions governing stock exclusion from wetlands and waterbodies in Policy 18, Rule 70, Rule 74 and Appendix A
  - Provisions governing cultivation in Rule 25 and Definition for "Sloping Ground"
6. I **oppose** the relief sought because:
  - The proposed policies and rules will unreasonably restrict forestry establishment, farming, farm development and productivity improvements, and exclude stock from waterbodies, on large, extensively farmed properties which are not the source of water quality problems.
7. I agree to participate in mediation or other alternative dispute resolution of the proceedings.
