Environment Court
Auckland, Wellington and Christchurch

1. Mount Linton Station wish to be a party to this proceeding being an appeal against the proposed Southland Land and Water Plan.
2. Mount Linton Station is an entity which has an interest in the proceedings that is greater than the interest that the general public has because it is a large Southland rural landowner and farmer and it is also an entity which made a submission about the subject matter of the proceeding.
3. Mount Linton Station is not a trade competitor for the purposes of section 308C or 308CA of the Resource Management Act 1991.
4. Mount Linton Station is interested in part of the proceeding. The part of the proceeding it is interested in are:
 - a) All of the appeal points brought against the proposed provision governing Policy 16 – activities that affect water quality; and
 - b) All of the appeal points brought against the proposed provision governing Policy 18 – stock exclusion from waterways; and
 - c) All of the appeal points brought against the proposed provision governing farming practices Part A Rule 20 – Farming; and
 - d) All of the appeal points brought against the proposed provision governing Rule 25 - Cultivation.
5. Mount Linton Station is interested in the following particular issues:
 - a) All of the amendments proposed to proposed Policy 16 – activities that affect water quality; and
 - b) All of the amendments proposed to proposed Policy 18 – stock exclusion from waterways; and
 - c) All of the amendments proposed to proposed Rule 20; and
 - d) All of the amendments proposed to proposed Rule 25
6. Mount Linton Station opposes the relief sought because:

- a) The proposed inputs to proposed Policy 16 – activities that affect water quality are unnecessary, impractical and will achieve no beneficial environmental outcome; and
 - b) The proposed inputs to Policy 18 – stock exclusion from waterways are unnecessary, impractical and will achieve no beneficial environmental outcome; and
 - c) Rule 20 are unnecessary, impractical and will achieve no beneficial environmental outcome; and
 - d) The proposed inputs to Rule 25 are unnecessary, impractical and will achieve no beneficial environmental outcome.
7. Mount Linton Station agrees to participate in mediation or other alternative dispute resolution of the proceedings.
