Wish to **SUPPORT** / **OPPOSE** / submit a **NEUTRAL** submission on (circle one) the application of:

Name: Invercargill City Council

And/or Organisation: _____

Application Number: APP-20168843 Location: Invercargill

My reasons for my submission are: (State the nature of your submission and give clear reasons. Continue on attached pages if necessary)

Environment Southland should not approve a 35 year consent to I.C.C. for discharge of stormwater & contaminants into surface water bodies.

Knowing that this discharge has contaminate issues, only 10 year permits should be issued, with 5 year upgrade targets, making it in line with rural farm water discharge. Targets to meet the same standards as rural farm water discharge. We dont want to be disadvantaged in any way, if controversial nutrient budgeting is applied.

I wish the Council to make the following decision *(Give precise details, including the nature of any conditions sought)*

Only a 10 year consent to be approved,
with 5 year upgrade targets to be met.

The costs for this upgrade should only
be met by the ratepayers within the areas
of connection in the city boundary.

I, **am/am not** *(choose one)* a trade competitor* of the applicant (for the purposes of Section 308B of the Resource Management Act 1991).

**If trade competitor chosen, please complete the next statement, otherwise leave blank*

I, **am/~~am not~~** *(choose one)* directly affected by an effect as a result of the proposed activity in the application that:

- (a) adversely affects the environment; and
 (b) does not relate to trade competition or the effects of trade competition.

I, **do/do not** *(choose one)* wish to be heard in support of my submission.

I, **do/do not** *(choose one)* wish to be involved in any pre-hearing meeting that may be held for this application.

I have served a copy of my submission on the applicant.
