Dear Aurora

Application for Resource Consents for Tokanui Wastewater Treatment Plant

Please find enclosed an application from Southland District Council for a discharge permit and a use of land consent for the operation of the Tokanui Wastewater Treatment Plant. The application is being submitted on 21 February 2018, more than six months before the expiry of the existing consent (Consent No. 201599) on 8 September 2018, in order to allow the applicant to continue to operate the Tokanui Wastewater Treatment Plant under the existing consent while the application is being processed.

We are providing the application to you electronically. Please note that the pdf of the application document has been formatted to print double sided.

We note that the notice of alteration of the designation and the application for a land use consent under the National Environmental Standard for Assessing and Managing Contaminants in Soil to Protect Human Health has also been lodged with Southland District Council.

Southland District Council will make payment of the appropriate fee direct to Environment Southland.

Please note that Stantec New Zealand is listed in the application as the address for service. Therefore, please address all correspondence and enquiries about the application to the undersigned, with copies to Bevan McKenzie, Southland District Council, P O Box 903, Invercargill 9840. Please direct invoices for the processing of the application to Southland District Council.

Yours sincerely

Janan Dunning
