

**BEFORE THE SOUTHLAND REGIONAL COUNCIL**

**IN THE MATTER OF** The Resource Management Act 1991 (**Act**)

**and**

**IN THE MATTER OF** an application by M and C Adams as Trustees of the MJ Adams Trust for

- a land use consent for new dairy farming that did not exist as of June 2016 by increasing both land area and cow numbers;
- a discharge permit for the discharge of farm dairy effluent from up to 1,150 cows; and
- a water permit for the abstraction of up to 126.5 cubic metres per day of groundwater for stock drinking water and dairy shed washdown

**(APP-20181750)**

---

**SIXTH MINUTE OF HEARING COMMISSIONERS  
CORRECTION OF MINOR ERRORS IN CONSENT CONDITIONS**

---

- 1 We issued our decision granting consents to M&C Adams on 21 June. The consent holder has advised of a number of minor errors in the consent conditions, particularly in relation to cross referencing between conditions and typographical errors.
  
- 2 Section 133A of the RMA allows the consent authority to issue an amended consent correcting minor mistakes or defects in the consent. We make the following amendments under s133A, and attach an amended set of consent conditions.

| <b>Consent &amp; condition no.</b> | <b>Change made</b>   |
|------------------------------------|--|
| <b>AUTH-20181750-01</b>            |  |
| Condition 3                        | Attach missing Appendix 1.<br>Amend map reference to add 'N':<br><u>1216312E 4895217N</u>  |
| Advice note following Condition 5  | Correct typo: may occur up <u>to</u> two times a year  |
| Condition 15                       | Change 'Appendix B' to 'Appendix 1'.   |
| Condition 20, 24, 25               | Correct condition cross-referencing  |
| <b>AUTH-20181750-03</b>            |  |
| Condition 4                        | Include reference to AUTH-20181750-04  |
| Condition 5                        | Attach missing Appendix 1.   |
| Condition 8                        | Change the 'and' in clause (b) to 'or'.  |
| Various                            | Correct spelling of 'phosphorus'.  |
| Condition 14                       | Amend to read:<br>'... nitrogen and phosphorus losses <u>to water</u> ...'<br><br>Delete 'The Northern, Eastern and Existing blocks combined' as the contaminant limits apply to the whole property. |
| <b>AUTH-20181750-04</b>            |  |
| Various                            | Correct condition cross-referencing  |
| Condition 7                        | Correct numbering of clauses   |
| Condition 8                        | Clause (d)(iv) - Replace 'Appendix B' with 'Appendix P of the proposed Southland Water and Land Plan (Decisions Version 2018) or any subsequent replacement versions'                                |
