Name: **Ewen Pirie**

And/or Organisation: on behalf of the **Lake Waituna Control Assn**

Application Number: **APP-20211669**

Location: **Coastal bar between Waituna Lagoon and the sea**

My reasons for my submission are: (State the nature of your submission and give clear reasons. Continue on attached pages if necessary)

While we think the ecological health of the lagoon is very important. We think the Lagoon Technical Group has become short sighted & single minded on Ruppia. & has forgotten that the catchment is not in its original state & that the flushing effects of opening the lake is necessary & good for the lagoon.

The stress caused to those directly affected by this has been very significant & totally unnecessary. In our view the Trust has been very one eyed in their approach & poorly managed.

It is our preference the Ewen Pirie & the Lake Waituna Control Assoc. continue to hold the lake opening consent. They have the local knowledge & experience.
