Details of my submission

Higher lagoon levels will cause more erosion along the smaller creeks that go through our farm
Local farms (including ours) will have more flooding causing more damage
Local land values in the catchment will be affected if the consent is not granted with this application
I would prefer Ewen Pirie and the Lake Waituna Control

Association to hold the opening consent as they have showed the capability and are well placed to Monitor the lagoon
I do not want the consent to held by an organisation in town that is not affected physically and financially by the flooding
