Wish to **SUPPORT** / ~~OPPOSE~~ / ~~submit a~~ **NEUTRAL** submission on (circle one) the application of:

Name: **Ewen Pirie**

And/or Organisation: on behalf of the **Lake Waituna Control Assn**

Application Number: **APP-20211669**

Location: **Coastal bar between Waituna Lagoon and the sea**

My reasons for my submission are: (State the nature of your submission and give clear reasons. Continue on attached pages if necessary)

I am submitting in support of this application because if it is not granted I will be adversely affected.

If the consent is not granted, higher lagoon levels will result, more erosion will occur in feeder creeks through my farm more sediment will end up washed into the lagoon. The health of the lagoon will be compromised. If the lagoon is not opened as per the consent application vegetation around the waters edge will be submerged, it will rot and further degrade the lagoon

If Ewen Piries Consent is not granted the entire Waituna Catchment will be adversely affected. More flooding will result, access to the reserve compromised. At less than 2.2m access is lost to Waghorn Rd and the whitebait stands on the Big Bend.

I wish the Council to make the following decision (Give precise details, including the nature of any conditions sought)

My preference is for Ewen Pirie and the Lake Waituna Control Assn to continue to hold the lake opening consent. They have the local necessary knowledge of the lagoon and are on hand to monitor lake levels 7 days a week. I don't want the consent held by a city based Monday to Friday organisation which are not affected by any flooding in the catchment.

The goals of the Trust are admirable but I believe their land purchases have been inadequate in terms of lagoon levels.

I, ~~am~~/am not (choose one) a trade competitor* of the applicant (for the purposes of Section 308B of the Resource Management Act 1991).

*If trade competitor chosen, please complete the next statement, otherwise leave blank

I, am/am not (choose one) directly affected by an effect as a result of the proposed activity in the application that:

- (a) adversely affects the environment; and
- (b) does not relate to trade competition or the effects of trade competition.

I, ~~do/do not~~ (choose one) wish to be heard in support of my submission.

I, ~~do/do not~~ (choose one) wish to be involved in any pre-hearing meeting that may be held for this application.

I have served a copy of my submission on the applicant. Yes No
