Dear Mr Hodgson

RE: Blue Sky Meats Ltd APP-20222295 additional information

Please see below responses to questions from Specialist Environmental Services for the air discharge consent application and Stantec for the remaining consent applications following their technical reviews of the Blue Sky Meats Ltd resource consent application.

### **Stantec (NZ) Ltd questions**

Most responses to questions and comments from Stantec are provided in a report prepared by PDP titled *Consent Application [APP-2022295] – Response to Stantec (NZ) Ltd Request for Clarification (dated 1 November 2022) – Environment Southland* dated July 2023. This report is included as **Appendix A**.

In addition, a response for **Issue ID 23** – *"Any draft conditions proposed should have been cross-referenced in Table 17 as key mitigation measures"* is provided as **Appendix B**.

### **Specialist Environmental Services Ltd questions**

Responses to questions from Specialist Environmental Services Ltd are provided in a letter prepared by Beca dated 29<sup>th</sup> June 2023. This letter is included as **Appendix C**. Updated air quality modelling from Beca dated 29<sup>th</sup> June 2023 is provided in a letter in **Appendix D**. Information contained in the updated air quality monitoring letter has been used to inform some of the Beca responses in **Appendix C**.

### **Updated proposed consent conditions**

The proposed consent conditions have been updated to reflect the findings of the additional technical work used to inform this response. The updated proposed consent conditions are included as **Appendix E**.

### **Management Plans**

Also included is the latest:

- Air Discharge Management Plan as **Appendix F**,
- Wastewater Farm Environmental Management Plan as **Appendix G**; and
- Wastewater Treatment Plant Operation and Maintenance Manual as **Appendix H**.

References are made to these management plans in the responses provided by Beca and PDP.

Yours sincerely,
