Hi Ryan

We have completed our review of the response from Blue Sky Meats regarding the list of issues raised under s92. I have attached a covering letter and the spreadsheet containing detailed comments, for your information.

We will continue on with the technical memo now. I have said in my letter that we will get the draft memo to you by 16 Feb but please advise if this is not suitable for you, we are happy to discuss.

I am factoring in the availability of our team with people still coming back from leave, long weekends coming up etc.

Ngā mihi nui
